

Annual Report

Rafa Nadal Foundation 2025-2026

“We believe in the transformative power of sport.”

This year, we have continued moving forward with a clear objective: **to consolidate our partnerships, ensure the sustainability of our projects, and continue seeking new opportunities to grow and expand our impact.** The commitment of our partners and allies remains fundamental in making this possible.

It has also been a year of new challenges. We travelled to **Hong Kong** to participate, together with **Wemp Foundation**, in **The Children Ball Gala**, where we had the opportunity to raise awareness of our work and raise funds for our projects. We also launched the **first edition of Spin&Swing by Cantabria Labs**, a corporate golf circuit with a purpose that brings together sport, business and solidarity.

This year also marked the **10th anniversary of the Education and Sport project at the Fundación Rafa Nadal Centres**, a decade of supporting children and families through sport, education and psychosocial support. We celebrated this milestone with an event at our centre in Palma and a travelling exhibition that visited Palma de Mallorca and the Rafa Nadal Academy.

The **Rafa Nadal Foundation Awards** held their fourth edition, bringing the total number of awarded organisations to 20 and the amount allocated in prize funding to €300,000. We continue to work on the next edition, which is already underway.

Thank you to all our partners, allies and collaborators for joining us on this journey, and especially to our team for their commitment and dedication. We will continue working to ensure that sport and education remain powerful tools for creating opportunities and transforming lives.

TRANSFORMATIVE IMPACT

Since our beginnings, the **Rafa Nadal Foundation** has been working to ensure that children, adolescents and young people in vulnerable situations can reach their full potential and build a future with greater opportunities.

Over these **16 years**, we have grown, learned and expanded our reach, while always staying true to the same purpose: providing comprehensive support to each individual and using sport and education as tools to drive positive change.

Today, **more than 13,000 people have benefited** from our work. This figure represents much more than a number: it reflects thousands of stories, learning experiences and opportunities that inspire us to keep moving forward.

Special thanks:

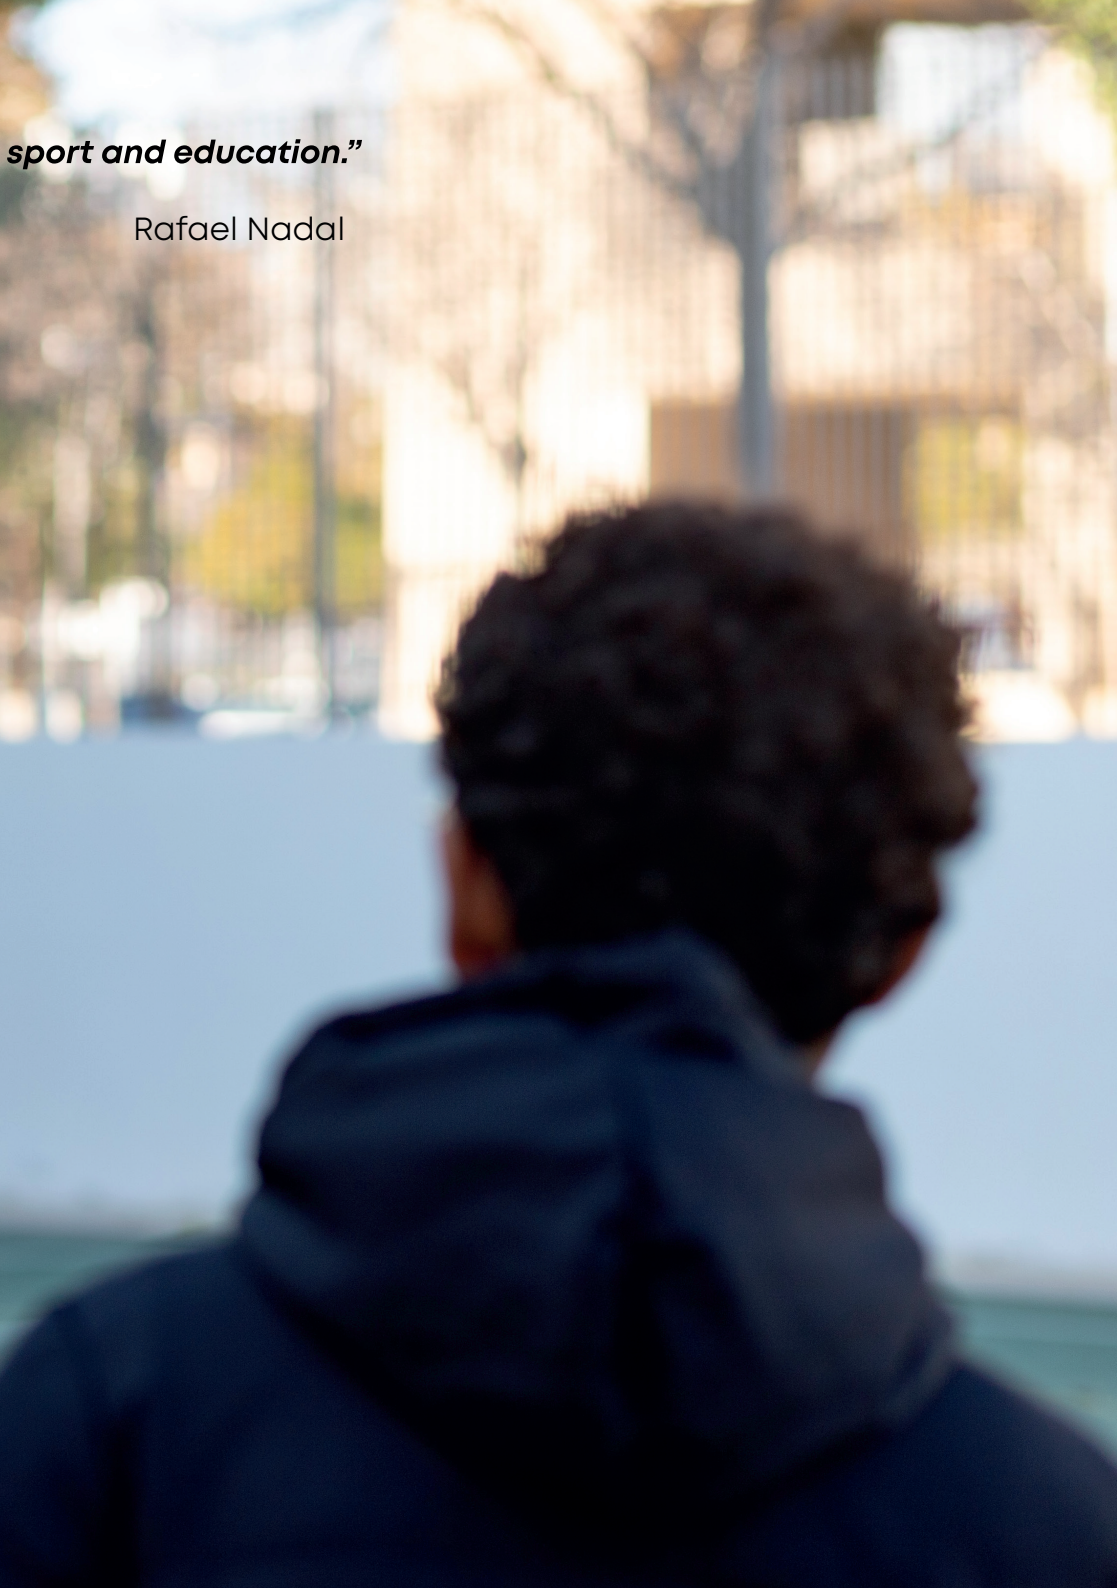

This journey would not be possible without the commitment of our **partners**, who share our vision and work alongside us to make each project a reality. To all of them, **Special Olympics Spain, Fundación Vicente Ferrer, Fundación Diagrama and Fundació Tennis Barcelona**, our deepest thanks for being part of this journey and helping us build a future with more opportunities.
